Verse 1

I was in the mood
of writing one new manuscript
It was kind of cool

My boss said we need funding,
I thought it was fun thing,
we need funding we need funding

Chorus

Dägädägä dägädägä, That's the way I like
Dägädägä dägädägä, shake it don't break it
Dägädägä dägädägä Dägädägä dägädägä
Everybody's wanna be Guru too
Everybody's wanna be Guru too

Verse 2

Based on my research work,
I found something real cool
publish it soon publish it soon

I got some conclusions,
This must be a breakthrough,
no illusions no illusions

Chorus

Dägädägä...

Bridge

Everybody goes when I say yes
They all know I'm sure OK
My atmospheric eyes are blue and white
I don't know why They look so bright
Tonight, tonight.
